

Dear Sir/Madame/Teacher in Charge,

The Overseas Family School Model United Nations (MUNOFS) Committee would like to invite students from your school to our sixth high school MUNOFS conference, MUNOFS VI.

This two-day conference will take place on the OFS campus on **25 - 27 October 2013**.

Through this conference we provide a unique opportunity to engage students in a professional, albeit friendly, environment to develop their research, debating and leadership skills. This will, in turn, increase their experience and knowledge of broad-based world issues and concerns. We aim for both new and practiced participants to find it a rewarding experience.

We are pleased to have an **International Court of Justice** simulation that is for the more experienced delegate, and to introduce an **Advisory Panel**.

MUNOFS VI will be one month before the THIMUN-Singapore conference. As such we consider our conference to be an excellent training opportunity for those delegates who will also be attending THIMUN-Singapore. We follow THIMUN rules and procedures and we are a **THIMUN Affiliated Conference**.

Schools from outside of Singapore will enjoy both the conference and the cultural experiences available in Singapore. Friday, 25 October is suggested as an ideal day for any tour outings.

Hotel accommodations will be suggested for traveling schools on our web site.

Fees are S\$ 60 per person (Delegate, Officer, Chaperone, Director, ...)

In closing, we would be pleased and honored if your school would participate in this MUNOFS VI, and we look forward to seeing and working with your students in the near future.

In a world of growing diplomacy and international awareness it is our ambition to bring together young men and women to engage in educated discussion and debate on issues that have long scarred our world. Your presence will add a unique spark to the conference and we sincerely hope you will be among those joining us for MUNOFS VI.

Thank you for your consideration,
